Greensboro, N.C. (November 20, 2023) – Vizo Financial Corporate Credit Union is already gearing up for next year, as the corporate credit union released its 2024 Events and Education Calendar.

“We’ll have our usual events, along with a plethora of webinars throughout the year that will touch on the topics that are important to credit unions and that are impacting them the most right now, including money management, payments, risk management and so much more,” said Jaime Agostino, VP of sales, marketing and education.

The 2024 calendar includes a variety of events, including:

- Financial Strategies Workshops
 - March 13, 2024 - Hershey, Pa.
 - March 27, 2024 - Richmond, Va.
 - April 10, 2024 - Charlotte, N.C.
 - May 8, 2024 - Mars, Pa.
- Risk Management Conference, April 24-25, 2024, in Hershey, Pa.
- Virtual Small Credit Union Workshop on August 6-7, 2024
- Financial Conference, September 11-13, 2024, in Asheville, N.C.
- Virtual Payments Conference on November 5-6, 2024
- Plus, more than 40 free webinars

“Our goal is to provide a mix of in-person and virtual educational opportunities so that credit unions from different states and regions are able to meet education requirements by earning continuing education credits, learn the latest trends and tricks in the industry and network with fellow credit union peers who they may not otherwise get a chance to network with,” said Agostino. “No doubt, 2023 was a booming year for education, but we’re prepared to reach even more credit union professionals and aid in their success with our events and education throughout 2024.”

The Corporate invites you to visit the [Upcoming Events page](#) and [webinar](#) page on its website at www.vfccu.org to learn more about these events and webinars.
